DEXSTA is a full-service community chartered financial institution that provides outstanding financial services at the lowest possible cost. In a time when banks consider you just a number and charge numerous fees, DEXSTA Federal Credit Union maintains the belief that a financial institution should educate and service our members, not nickel and dime them. Our goal is to be your primary financial institution for all your needs.

Once A Member, Always A Member!

Once you join DEXSTA you are welcome to remain a member for life, regardless of whether you change jobs, move or retire. We have many convenient options to access our services.

A Tradition of Member Service

DEXSTA Federal Credit Union was originally chartered in 1937 by DuPont Experimental Station employees. Today, we serve more than 24,000 members from a variety of companies and organizations and our assets exceed \$150 million.

DEXSTA Federal Credit Union is a not-for-profit financial institution, owned by our members and democratically operated. Unlike other types of financial institutions who operate for a profit, DEXSTA returns excess earnings back to our members in the form of low or no fee services, higher yields on savings and investments, and lower interest rates on loans. Your savings with the Credit Union are federally insured up to \$100,000 by the NCUA (National Credit Union Administration). Individual Retirement Accounts (IRAs) are insured separately for up to \$100,000.
