Savings program for
children ages 6 - 12

A fun savings club just for kids!

The Bill & Penny Club is a unique youth program that encourages children to save and teaches them to use financial services so they can grow up to be responsible consumers!

Isn't it better for your child to learn the basics while they are still young rather than having them learn about finances on their own? At DEXSTA, we believe that it's never too early to start learning and saving for the future. That's why we not only provide them with information on money but also give them access to our special youth page, 5-Spot Club House, where they can learn about money through games, stories, puzzles and activities. Join them online as they spend hours learning.

Help your child establish good saving habits now while they are still young by opening a Bill & Penny Youth Account today.

Hey Kids! Look at what you'll get as a Bill & Penny Club member.

- Prizes each time you make a deposit
- The Penny Press quarterly online newsletter
- Participate in special contests
- Special youth webpage, 5-Spot Club House
- Earn a free movie pass with our punch card rewards program
