Saving Can Be Fun, Rewarding, and Educational!

The Bill & Penny Club is a kid-friendly savings program designed to help children ages 6 to 12 learn the value of money, the joy of saving, and the power of financial responsibility — all in a way that's exciting and fun!

## Why Kids (and Parents) Love It:

- **Punch Card Reward System:** Each qualifying deposit of \$5 or more earns your child a punch on their club card. After collecting 6 punches within 12 months, they unlock a special reward to celebrate their consistent saving.
- **Get a Prize Just for Making Deposits:** When your child completes the punch card, they receive a \$25 MAIN EVENT gift card as a fun and exciting way to reward their smart saving habits.
- **Fun Financial Learning with Banzai Junior:** Children can explore Banzai Junior, a fun and interactive financial literacy platform created just for them. It's an excellent way to teach real-world money skills in a kid-friendly format. You can access Banzai Junior through the Child and Teen Savings section on our DEXSTA website or directly at [dexsta.banzai.org/wellness](http://dexsta.banzai.org/wellness).
- **Build Positive Habits Early:** This program is all about setting the foundation for a lifetime of good money habits, responsibility, and financial confidence.

To qualify, a deposit of \$5 or more must be made directly into the Prime Share account. Transfers between accounts do not qualify. Punch card must be presented at the time of deposit. Participants may earn a maximum of two rewards per year. Program terms are subject to change.
